Dear Louie,
Special thanks to you
I <SPAN 2 for Book TV.
It's wonderful!

We discovered the
Program while visiting our
son in Austin, TX last fall.

Book TV has
opened my eyes and mind to
lots of new books I would
have never heard of.

We especially
enjoy your interviews and
when the <SPAN School bus
goes on the road.

Altho we go to Austin
often we've never visited the
book store (except for B & N &
Borders) down there so next
time we go will take that
Book People store in. Also
our daughter moved to
Seattle recently and hope
