Dear C-Span,

O-Pr
P3

Thank you & thank Brian Lamb for this President's series. I thank my husband for providing for me so I can have the luxurious privilege of watching history on C-Span.

The historians, especially Morris & wife on T. Roosevelt, and Hoover's historian & callers have been so informative. I especially enjoy hearing typical, regular, American tour guides as opposed to "slick" TV personalities.

The Reagan letter of good-bye was such an ~~amazing~~ emotional memory. Thanks, too, for that "Firing Line" 1/79 Panama Canal debate. I never thought I'd see that again, & I have.

Thanks

not heard such a good, intellectually honest debate since. I hope it's repeated.

As your classroom with Justice Kennedy reminded us, we & our children are the trustees of this Constitution. It's an awesome responsibility. I hope my child recognizes the magnitude of it. You have done your part. Sincerely,

(FRIEND OF [REDACTED]) (LH) [REDACTED]
