

C-SPAN,
Sirs, (Suggestion)

THE time now used
for televising ^{English} Quorum
calls ~~in~~ in the
Senate AND Special
orders in THE HOUSE
could provide for a
program at the end
of each day for a
comprehensive year
of the legislative
business transacted
daily and upcoming
important programming,
i.e. (confirmations ^{etc.} (Senate))

Although I am an
avid C-SPAN viewer, I do
miss parts of each session
and at times the final
vote.
