I wanted to thank you for your coverage of the March on Washington for Lesbian, Gay & Bi Equal Rights and liberation.

I was on my vacation at the time and couldn't be at the March but the hotel I stayed at had cable so I was able to watch your programming. It was the next best possible thing to being there. Thanks ☺

I'm sure you've received thousands of letters damning you for your coverage but for my sense of pride in my extended family newsworthiness will outweigh each one of those. Please don't allow the negative press to stop your coverage of our right to be visible.
