9-11-97 Thur Dear C-Span, in the morning I jainted while baving the bothroom, I sainted while baving The results of the fall and recovery medicines my sleep habits have been distinted. Being awake rutes instead of days increases my C-Span stporure, In improving my knowledge of history, politics, books, atc. "Thurks C-Span" I have gother thru to the "one on one early show once, and after calling 12026241111, 12026241111, and 12026247376734 L/s difficult to get thru before the subject changes, or before the guests "unbuckle" and leave. after about 40 diels I start trying other lines, Other parties 1 202 737 6734. The sixth digit in the others line is covered by the styellow STATION Number or my TV set, I called 737 & frinks received spot wrong calls excalively I told them why. The No commercials" "C-spm quest speakers recieve no Fee for appearing" (mug excepted). Pardon the sevotching the Fall affected the 4th vertibra + porto/5thy. I am recovering. C-Span helps, P.S.
