

"Egrets in the Nest" from a watercolor by Francis Golden. Audubon Canyon Ranch, Stinson Beach. California 94970.

Recently I heard on C Span
a debate between a person
who wants school prayer
and a person who represents
an organization that is
opposed to school prayer and
the voucher system.

Please send me the address
of the group that opposes
school prayer and vouchers.
Also information about con-
tributing to C.Span
