C span

Vilbels

Gentlemen:

Pardon the "stationary" as I don't own a fax machine nor am I lonely enough to call any of your "Talk TV" shows.

as a Republican, I'm fed up with the B.S. on C span by the members of my own party. For God's sake, they'll be in control.  
Do something - don't talk!

Congratulations. Jesse Helms says yours is the best and unbiased. Keep on and you'll be as Far Right as Pat Buchanan & Pat Robertson. The Christian Coalition will give Cspan Pudos.

By the way, our cable company did not add Cspan 2 as one of 6 additional channels. Now we won't have to hear D'Amato, Helms, etc. I pity poor Bob Dole being in the same chamber with them.

Good luck. You have now lost an avid Cspan viewer - me, but I know you don't care.
