Dear C-Span:

[REDACTED]  
Ocean Grove, NJ 07756

I hope you know it  
a treasure you have in  
Susan Swain.

She is so bright and  
so head-on honest in her  
questioning. A really marvelous  
moderator.

And of course Brian  
Lamb is a master.

'95 and '96 are going  
to be very exciting in  
Washington and it is great  
to know that C-Span will  
bring us events in the raw.  
You have effectively ended  
the day of the 60-second  
sound bite. Cable be praised!

Thank you,
