There's too much
hate on C-Span
they should all
be put on an
island,

all of you should
of looked into the
Bush + Reagan
Terms and we
wouldn't be in
this condition today.
Clinton is trying
to clean up their
mess.

After looking at
C-Span tonight
I consider this
Channel to be
Republican.
Being a Democrat
when are we going
to get a C-Span
that is for the
Democratic Party.
Brian Lamb is
a Republican and
turn my stomach.

Give him a
