

Dear Brian or Susan:

Greetings and God give you wisdom and peace. I watch much C-Span daily and so thankful we are getting neutral reporting. We are not getting this over the regular airwaves. We believe and see, and hear biasness, distorted truth, and Red propaganda.

We have noticed that many of the C-Span callers believe and think the same as we do so we know we are not alone in our thinking. Also we talk to many in stores on streets etc. and they also can see how far down the media, Hollywood elite has deteriorated pasts 20 years or so, but really bad last five years.

We have also noticed quite a few callers that are calling in concerning their concern over the New World Order. We heard you state Brian that you did not believe in conspiracy claims. Well as much as we like you, we would like to alert you that you are wrong in not believing in conspiracies. If you go back to the beginning of time when satan conspired against God and took 1/3 of angels down with him and that means 2/3 of them stayed with Almighty God. Then we had Herod that conspired to kill Christ, we have Nations conspiring to take over Nations, we have had in America past 30 years Kennedy conspiracy, Irangate, Watergate, list goes on, but these are a few things to bring to your attention. Yes Brian there are diabolical people out there that do plan conspiracies and they will stop at nothing to further their demonic goals.

The new World Order is real and is demonic in nature. The main instigator of it is satan himself working through willing vessels and some being used as pawn to further his diabolical goals. Satan has always wanted to be worshiped since the beginning of creation. He will get his wish for prophecy will be fulfilled and there is not one person that will stop it for God does not lie.

The New World Order is a secret plot put out by satans people to unite the world into one world government, world religion and it is worked out by the Trilateralist Commission, Council of foreign Relations, Masons, United Nations, World parliament constitution now in existence. Their goals are to make the world united as one under peace, security, and prosperity, but the Holy Bible states it will all be false and the world Religion will be made up of false churches that unite into one. Those that know Biblical prophecies will not go along with the worldly system and many may die, starve to death or whatever. many live too.

Satan will be world ruler and he embodies himself into a man now living and now in power. I believe that man is now in power and it is satans man.

The reign of all this will come about but it will be short and they all come to their end when Christ returns to set up His true kingdom of peace. Satan will do all he can to convince many to follow his evil ways of destruction and those that know will do exploits to expose him and we are living in those times now. We see where Israel is close to making peace with arabs. We see world uniting as never before. We see churches talking of merging into one. Bible prophecy I repeat will be fulfilled for God does not lie--satan does.

Ever since the tower of Babel in Old Testament times satan has had plans of being worshiped and has entered into willing vessels to further his demonic goals. These persons have been living and a few are in America. Some are willingly and some are unwillingly and some are being used as pawns.

The likes of the Kingpins of the TC/CFR Rockefeller, Rothschilds, Bilderbergs all interconnect to reach this demonic goal along with UN. They lie, cheat, steal, and even murder to meet their true goals.

The devils man is now in power. his signs are in OT and NT of Bible to be alert on. He is a liar, deceiver, mesmerizer, charmer, flatters, slick--wisdom--intelligent, wants to be liked by all or worshiped, misquotes scriptures, wants change, makes a covenant--breaks it--makes peace with Israel--sets himself up in a temple to be worshiped as God, brings out an evil mark that those that do not take it can not buy or sale, some die for their beliefs, some are starved to death, some do make it through by Gods grace, but millions upon millions are murdered. They sale it to the masses as a time of peace, prosperity, stability for the world. But instead it will be worse than Hitlers era, for even those Hitler was demonic instature, he was a forerunner of satan to come and this person will smile, appear as angel of light to deceive many and many follow his demonic way. He is now is power. He has a stern/stout look---temper--something about his eyes and something about understanding dark sentences. Watch who makes peace with Israel and watch who get credit.

We see where churches of Islam, Hinduism, etc. are talking about merging as one. So God is in power and He is in Control and we do see Biblical prophecy being fulfilled right before our eyes.

So when the people call in about the New World Order these people are on the right track basically. So please Brian do not poo poo it down and I realize that those in the conspiracy scheme have done the same also and they too will come to their utter destruction unless they repent and accept Christ before it is to late.

GET READY FOR CHRIST IS COMING BACK TO EARTH VERY SOON. WHEN IS DATE WE DO NOT KNOW TIME, DAY, OR HOUR. WE KNOW HOWEVER, BY MANY MANY SIGNS WE SEE OCCURING AND WE KNOW WHO THE WORLD DIABOLICAL RULER IS AND HE WILL SHOCK MANY. HE IS NOW IN POWER AND HE IS A GREAT LIAR!!!!

WHO MAKES PEACE WITH ISRAEL WILL BE THE DIABOLICAL WORLD RULER AND IF YOU FEAR AN ALMIGHTY GOD THEN REPENT AND TURN TO ESUST FOR HE IS COMING BACK VERY SOON. WE MUST REPENT IN AMERICA OF OUR SINS. WE MUST REPENT!!
