

TOLUCA LAKE, CA,
9/6/0

July 24, '93

Dear Sir:

Please forgive this short (Save the Trees) note. I read about your six hour coverage of the March On Washington, & I congratulate you for your courage & sense of priority.

As soon as I get another job (I live in California) I will order cable, & watch C-SPAN with enthusiasm & pride.

Best Appreciatively,
[Signature]

Mr. Terry Murphy
