To whom it may concern,

I'm writing you in hopes that you can help me obtain some very important information. During the month of January or February you aired a conference on ways to stop violence in black communities.

Jesse Jackson was included in the conference. I do believe he was the key note speaker. The info. I'm trying to obtain concerns the black woman who had created a pamphlet on how to write proposals securing federal funds for local projects. The lady had helped a Los Angeles community receive millions. If at all possible could you please send me a copy of the transcript

from this broadcast. I need
to obtain the information needed
to gather this pamphlet. This
will enable me to pursue
government subsidies available
to me. Thank you for your
time and assistance in this
matter.

Sincerely
