Mr. Lamb:

Recently I had the opportunity to observe the Close Up Program under an administrative fellowship. Because I am a broadcast journalist, the Close Up staff arranged for me to sit in on a taping of "Close Up on C-Span" with Leon Panetta as the guest.

I wish to thank your staff for cooperating with that request, and also thank C-Span for its support of Close Up. The program offers fantastic opportunities for students and their teachers, and it is through support such as yours that the program continues to grow.

Sincerely,

Assistant News Director
