Dear Sir:

Enclosed is an open letter - to - the - editor
Concerning our cable system taking a step back -
ward in C-SPAN coverage. I am working to get
enough response to their move that they take a
look at it. I have heard of a petition drive but
not who is working it. I hope this letter in the
Newspaper causes this person to contact me.

Whatever suggestions/guidance that you can
offer will be appreciated.

Open letter to viewers of Westmare Cable,

It has come to my attention that C-SPAN is being cut from the evening in lieu of program guide. I view C-SPAN as the most valuable channel on the air. All C-SPAN viewers that have daytime employment are at a distinct disadvantage. I personally would like Westmare Cable to add C-SPAN 2 rather than cut any of C-SPAN. Do you realize Event-of-the-Day and evening House votes will be non-existent for us? If you feel the same way I do, please write and call Westmare to register your concern. Pounds of mail and a log jam of phone calls will make them realize they have made the wrong move.

Sincerely,
[REDACTED]
