

just about every call to Liberal. 1-26-99
You're in the most dishonest
program on TV. You & C. N. [unclear]
If you want to have all Liberal
cash, you change from Lib. Con-
serv. & Moderate to Pacific
Central & Eastern part of Country
& World. Kim Therian is a
dishonest Liberal. I would
never believe anything a Liberal
says. Listen to the call ins
if they are educated, I'll
take Vanilla. These Union
teachers can't even teach a
child to read. We learned in
nothing flat in our day. Our
Country used to have intelligent
talking & thinking people. Now
people don't appreciate intelligence.
You're a disgrace - you aren't
fair or honest, and I'd like
to see you taken off the air.
I read & study & listen but
you don't want that. You cut
off intelligence. I'm sure your
kids go to Private School & you
don't care about education.
