Dear C. Span,

I just flipped off your program. Connie Brod is so rude, she cut off a lady who only wanted to tell people where they could see the Senate Fundraising Hearings. She ask dumb questions most of the time. The same people who won't write the truth are allowed to sit day in & day out with the same old bull. I only watch to see what the rest of the Country calls in about.

There was alot of time you  
could have covered the  
hearings except late at night.

You have lost a fax &  
I have called my <sup>Cable</sup> ~~called~~  
Company.

Sincerely
