Dear Sir,

I am writing to request news coverage of Colonel "Bo" Gritz and his candidacy for the presidency of this nation. Even though he is now registered as a candidate in 29 states, we have heard little to nothing about his platform from most of the major news programs. Isn't it your job to provide a forum for these activities?

It is reported that the people in general are not satisfied with those so far presented to them and yet you have been silent on this man's vie for the presidency! Where is our news? If I can discover the "Bo" Gritz National Campaign phone number [REDACTED] on my own, where are you news gatherers who have yet to tell the story? I hope that you will cover this promptly because this man has vital information that the american people need to hear, besides having an interesting "story". I do not know how you can claim balanced reporting if you do not do so.

Thank you for your consideration in this matter. I look forward to seeing your response on the air.

Sincerely yours,

[REDACTED]
