Dear Mr. Laub.

I am an avid fan and certainly  
what my husband would call a "C-spoor junkie"  
You all are wonderful and I hate to  
complain, but I can't stand the Dem., Rep. &  
other phone lines. It seems very contrived  
and somehow I must have missed hearing  
your reason for doing this. Please go back

to the all way.

Also have you all ever considered  
Broadcasting on radio. It would be  
great I think.

Keep up the good work. You all do  
provide a most valuable service for  
the U.S.A. If each citizen were required to  
watch some of C-Span each week, there would  
be no need for turn limits.  
Thank you. Sincerely,
