Re: 2/6/00 Program 3HRS.
JOHN LUKACS

I thoroughly enjoyed this longer format. I taped it, decided to watch 5 min since the hour was late; become so immersed, I watched all 3 hrs. and got to bed at 2:30 AM. I'm looking forward to presentation on 2/20.

One request, since I don't have a computer and our TV guide isn't definitive, I would appreciate announcements of upcoming book reviews on Book TV to be more detailed beyond the 2-3 events you currently post. In other words, could you periodically announce events, with their times, 12 HRS or more in advance, so I can pick + choose + record.

2.)

Since this is the first time I have written you, I would like to tell you how much I enjoyed listening (C-Span) to professors Herman Belz and Lexa Nelson recently. This further proves that a lecturer/interviewer or oral dissertations format is of interest to me and probably to a wide spectrum of your viewers.

Thank you very much for your programming.

Yours truly,
