

9 OCTOBER 1990

I in any case we do care
very much and I do enjoy
your coverage of major
issues.

TO WHOMEVER THIS MAY CONCERN,

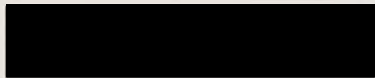

I would note that it has
been two years since my last
thank you note. I still observe
your programing. I am not as
opinionated as many of your
callers. I still do write notes
to my congressional representatives
occasional basis.

My wife and I are unusual
in that we do vote and are
concerned on a variety of issues.
Alaska has very little representation
in the U. S. House of Representatives
with only one vote of 435 votes.
In the U. S. Senate we have a
better representation with two
two votes of 100 votes.

Thank you

for your kindness,
for the nice things
that you do--

But, most of all,
a special thanks
for being thoughtful you!

So Much*

*There are certain thoughtful people
Who know the special art
Of bringing joy to others
By sharing from the heart.*
