Dear Sirs,

I'm totally outraged with the air time you gave to the former atty. general RAMSEY CLARK. MR. CLARK record speaks for its self, and to let him make the comments he made, that morning from Baghdad with Peter Arnette - it was unfounded diatribe, and delivered in an very anti-America manner, etc.

I listen nitely - to a TALK SHOW from Las Vegas on KDWN (Art Bell Show), and many listeners called in after viewing CLARK's liberal diatribe. Also, most people who Support our WAR Against the sadistic (camel-jockey) Saddam Huss-PIN, are not viewing the CNN "WAR IN THE GULF" - cause they feel Peter Arnette should leave IRAQ, period. (over)

Mr Arnette is feeding the
propaganda that's really
going to splinter the
allied coalition - most of
us realize that 95% or
better of the broadcasts
of Mr Arnette is untruthful.

Hopefully in the near
(not far) future you'll have
more guests from the
House and Senate, and
News Media, who are conser-
vative most are from the
left.

Regrettably,
