Dear C-Span

newer

C-Span is wonderful. The only thing I miss lately is the music.

The informative hearings, round tables and call-ins are all interesting, and I love each and every one of the C-Span staff of interviewers).

Please could you-all consider bringing back the music you used to play while the Congress votes for 15 minutes? It was like a lovely, soothing, moment of peace and beauty between the sessions of debate.

(I always meant to write and tell you I liked it!)

very truly,
