My family and I were
appalled at the inappropriate
Comments made by the
Nixon Haters during cover-
age of the memorial services.
Especially offensive
was Jules Witcover's
numerous low-blow remarks;
then - when he said President
Nixon favored his daughter
Julie over Tricia — !!
we had had quite enough!

While we know CSPAN
leans to the liberal left,
we also had believed
that you try to present
both sides of issues.
However, with the
Witcover (and others)
selection by C-SPAN -
and the numerous
comments by yourself,
"poo-hooing" the
criticism — we are
now more cynical than ever
about C-SPAN's impartiality.
