

Mr. Lamb.

Your Republican stripes are showing! The concerted effort to undermine Pres. Clinton is appalling. Why do you bother us with small talk from Perot? Every week you hunt for comments against the president and his policies. Do you pray he will fail?

You might as well get used to the idea every president from now on will not have served in the armed services. Times have changed.

Get with it, I used to watch you regularly, no more.

A Cape listener
The Cox newsman was right when

he said all news people are
over paid - that's why they are
against Pres. Clinton. They may
have to pay higher taxes.

They all whine - wearing
their Mexican/Florida tans!

The military has been
powerful too long.

You allowed ^{Ornan}~~Darman~~ to get
away with vicious rudeness.

Maybe it's time for you to
move on, Brian.
