Since you are promoting
the Promise Keepers this week,
and the Republicans ^{and}

Others have taken over
the Democrat line, I
thought it's about time
that C-Span give up
the stupid 2nd & 3rd lines.
Hang out your sign that
states: "We Have One Line
And Only Republicans are
Welcome - ~~It~~ Sometimes A
Democrat Slips Through ^{And}
For That We Are Sorry!"

Cal Thomas took over
today & the other man
was a Clinton Ratee.

Please
Get well soon!

When are you going to
stop the pretense?
When are you going to
have Paula Jones ^{and}
her Buddy take over
C-Span? As an anchor
probably?
