C-SPANN
400 N. Capital St., N.E.
Washington, D.C. 20001

Dear Sirs (and ladies),

We like to watch C-Spann because of the pertinent subjects you cover:-- coverage we would NEVER get elsewhere. (Our only criticism is that sometimes we don't get the program from the beginning, and we don't know who's talking. Couldn't you flash their names on the screen occasionally??)

We also like to watch C-Spann because you have the most wholesome looking, delightful, and effervescent interrogators!! It's a pleasure to watch them and to listen to them!!

This says it ALL!!!

Sincerely, [REDACTED]
