

In the year of our Saviour + King - The Lord Jesus Christ -
Lord of Lords & King of Kings
November 21, 1998
Sir or Madam:

The coverage of the Impeachment Inquiry and that of Judge /
Independent Counsel - Kenneth Starr - was excellent. It is
unfortunate more citizens are not able to see these programs - not
realizing that once elected and sworn in - these public servants' decisions,
legislation, conduct is our responsibility. We get to get to "know" these
people" better - faces names, facial expressions, body language, etc. Thank
you. It is difficult to watch all of it at one time. Hopefully - tapes will
be available at some point as we do not own a computer.

The Republican Education - Forum - Governors Meeting was a dead
bore! How unfortunate when intelligence and knowledge - degrees, scholarships,
Professorships become an idol! They seemed intent on impressing each
other and boring the viewer - off button. From my knowledge of the
Bible - the time of the Judges in Israel were dark times in Israel's
History. Both John the Baptist and Christ Jesus call them "a nest of vipers".
a child of the King
Thanks again.
