Dear Brian, Eloise and all —

I just want to reiterate my grateful "thanks" to CSPAN for all your public contributions to the betterment of politics. The daily program of unfiltered information is an invaluable contribution to our Country.

Also, I want to express my special "thanks" to all of you for your gracious acceptance of my surprising "meeting up" with Brian Lamb in the office lobby. I had only expected to peek into the office when I came face to face with Brian. His immediate understanding of how much it would mean to me to see the process will never be forgotten. As I told him yesterday I'm a "CSPAN junkie" and so the

visit and meeting some of the staff was very special.

Eloise was so personable and she seemed like "an old friend" by the time the tour was over. (How fortunate to have her.)

If you ever need CSPAN support in Stockton, please call! I know alot of people.

Very sincerely,

P.S. To Eloise -

If my page, Mally Hooper, has any freetime (unexpected) she would like to call you for a quick tour. Thanks!
