Dear Program Coordinator:

My purpose in writing this letter is to encourage you to interview a true American Patriot, Retired Lt. Col. James "Bo" Gritz, who is running for the presidency as an Independent Party Candidate.

I recently heard Colonel Gritz speak live on a "Tom Donahue Show" radio broadcast and was thoroughly impressed by his grasp of the challenges confronting America. His remedies for overcoming the deplorable conditions which now exist in our nation make much sense to me. I would like to hear more from him and have the opportunity to see him on your program.

Colonel Gritz is the most decorated green beret from the Vietnam War and was a CIA agent for a number of years after that. His words over the radio were exceedingly informative, shocking, and revelatory. His ideas need to reach the large, thoughtful audience which you serve.

It is important that the American public be made aware that there is another choice, besides those offered by Democrats and Republicans, to be taken seriously. Especially since it is their policies which have created the mess we're now in. Your program can provide an objective view of all all the candidates which would be beneficial to our country in deciding on a Presidential Candidate to lead us out of this turmoil.

As a deeply concerned American Citizen, I ask you to accept the responsibility of rendering a service of inestimable value to our citizenry.

Yours truly,

[REDACTED]

P.S. I understand you can reach Mr. Gritz through his campaign manager, Mr. Charlie Brown, by telephone at [REDACTED] or through the address below:
