Dear Sir,

I am writing to you to tell you that I enjoy C-SPAN very, very much and think you are the only news program on T.V. that is non-bias and true.

You people are surely the best in this Country and I Congratulate you.

The reason I am writing to you is I want you to have a program on Mr Clinton & his family. So far the average American knows more about "Boots" the first Kitty than we do about where our new President came from! His mother's name is Virginia and we have only saw her on TV maybe once at the Inegral party. Who is she & why is she so hidden?

I find out this week that Mr. Clinton has a half brother that he says he did not know existed! Also I find out he has a half sister in Texas who is an X-Con on parole for bank robbery!

Would you please have a show to let the rest of us find out the truth about all this?

Thank you

the 1990s, the number of people in the United States who are 65 years of age or older has increased by 50% (U.S. Census Bureau, 2000). The number of people aged 65 and older is projected to increase to 20% of the total population by the year 2020 (U.S. Census Bureau, 2000). The number of people aged 65 and older is projected to increase to 20% of the total population by the year 2020 (U.S. Census Bureau, 2000). The number of people aged 65 and older is projected to increase to 20% of the total population by the year 2020 (U.S. Census Bureau, 2000).
