

C-Span Net. Works
Gentlemen;

Cinti. Ohio
Tues. 4/28/92

I wish to present to you the most interesting "Bomb Shell" Subject for an Hour call in show!

Clyde Gray of The WCPO-TV-Ch 9 - "I" Team investigated a fraud by The Japanese Machine Tool Co. of Florence, Ky. (Mazak Co.), on The Pentagon.

There was a whistle-blower involved!
This story hit Cincinnati last night @ 11:00 P.M. after 2 years of investigation.

I urge you to get Clyde Gray, The Whistle-blower (with the documents) and Ohio Rep. James A. Traficant, JR (Capitol Phone 55261) on C-Span Call-in Show.

you really owe it to America, at a time, when Washington officials are turning their heads on Japanese Dumping, & Targeting one U.S. Industry after another.
Please!!

P.S. This is a real Bomb Shell!

Yours Truly
