Dear CSPAN-1

The early part of the week  
- Mon. 3-28-94 @ 10AM I believe -  
John m<sup>y</sup> Manus of the JB society  
gave a presentation that I  
thought was quite interesting.

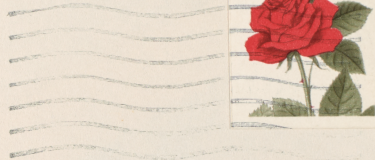

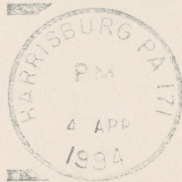

I would be interested in a  
transcript of the program if its  
available. How can I get one.

Keep up the outstanding  
work.

Thanks -
