Dear Sir or Madam:

I am a subscriber to TCI of Illinois. My franchise authority is the Village of Hanover Park, and the FCC community unit is IL 0557.

Last year when the channels were changed and some added, some deleted, CSPAN 2 was deleted. I regularly watch CSPAN and really miss your companion station CSPAN 2. I was surprised to learn it was CSPAN's decision, and not my cable company's, to drop. Can you tell me why and when you are planning to return to my cable company?

Thank you for keeping me
an informed citizen.
