

dear Brian - I apologize for
writing you about "the hearings"....
you are playing them on the week-
ends... Thank you! I liked seeing
Mr. Garvey, Pres. of Mercyhurst College
where our daughter went to college (as
did Steve Scully, at least for some time).
I always thought Steve graduated from
Yannon (where my husband & son graduated).
Your Tocqueville series is wonderful, makes
me sorry I'm not a Teacher so as to receive
a kit. Your BOOK NOTES is what TV was invented
for - Clare Booth Luce Bid Sun was wonderful.
