Dear C-SPAN,

I send you LOVE!

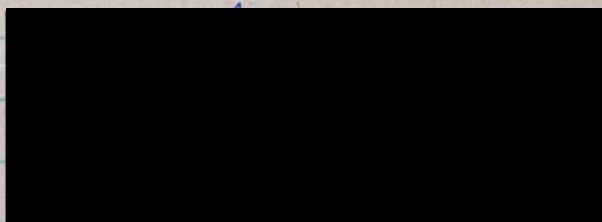

I enclose my Truth award.

The feather is a symbol of truth.

I know that we need to see
our politicians transformed into
PATRIOTS.Lenora Felani, Andre Marrou, H. Ross
Perot are PATRIOTS.Things I've really learned from
C-SPAN.Most politicians are skilled at
sounding terrific while saying
nothing.Interrupting the person speaking
seems to be a skill of the written
media and most talk show hosts,
(C-SPAN Hosts excluded) On C-SPAN I've
learned the Truth. C-SPAN is TEACHER
SWORNE!LISTENING is a skill all need
to improve.I am better informed this
election than ever + I voted 1st in
1952.

I write my representative and
senators and hope you'll urge
C-SPAN viewers to become patriots.

PEACE

P.S. I read with more care and
listen with more care since
becoming a C-SPAN viewer.
