

DEAR BRIAN - THANK YOU SO VERY MUCH FOR SERVING OUR COUNTRY SO HONORABLY AND IMPECABLY IN YOUR CIVILIAN (C-SPAN) AND MILITARY (NAVY) CAREERS!

When you AND the other C-SPAN MODERATORS have idiot guests OR callers, I DOUBT IF ANY BONA FIDE C-SPAN "JUNKIES" would BLAME you nice C-SPAN people IF you people whipped out one of these:

Hi BRIAN!

Wishing you a Happy Birthday
and the best of life's good things,
today and always!

Best wishes

"THE FINGER"—America's favorite gesture, will come in handy so many times. Wave it at a bad driver, lousy umpire or boss. Use in traffic jams, at sporting events to get your anti-social point across. Finger extends to 17". Cardboard.
