G. Spar,
The best of Book Water

I enjoy Book Water very
much I would like to cast a vote
of Robert W. Bork. "Slouching toward
Gothamora". I read the book and found
it very disturbing ~~but~~ but as I read-
ing will I find Durant his sermon
the world I can see the U.S.A. go-
ing down the path the Greeks &
Romans did. I would also like to
thrust in to put in another plug
for a book about the Higgins boats in
WWII as a ex Marine we rode a
lot of them and they were very good
they got the job done. There is "Andreae
Jackson Higgins and the Boats that
won World War II" by Jerry E.
Strahan published by Louisiana
State University Press, Baton Rouge
Louisiana; 70803 **O-BK**

Till I hear from you once again
FRANK CARUSO I am in closing
