Dear Mr. Lamb,

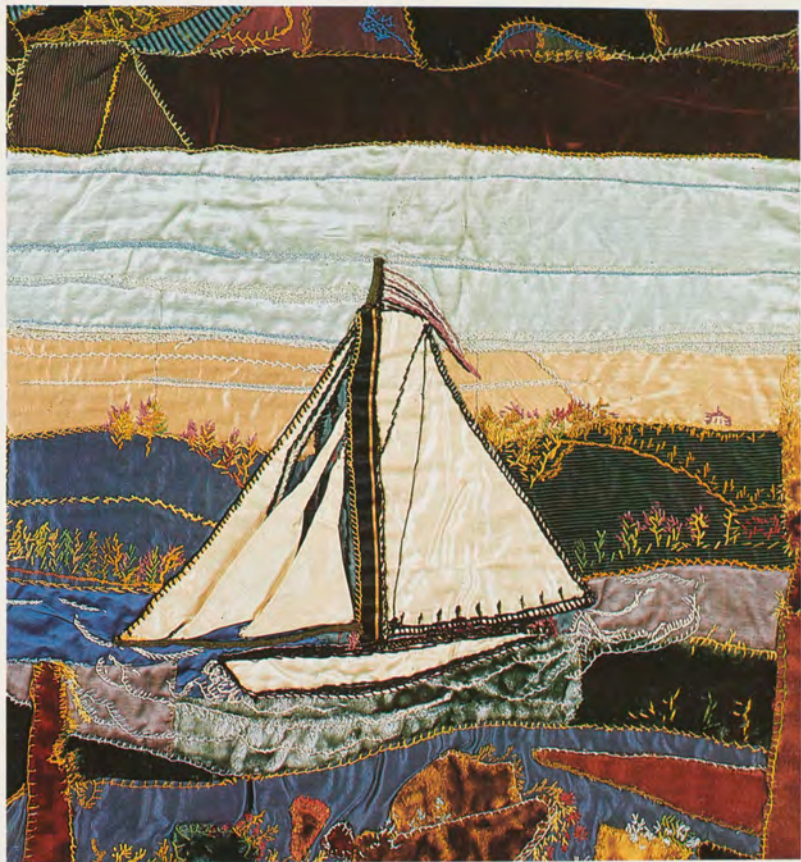

This is just a brief and belated note to say thank you for C-SPAN's full coverage of the gay rights march last month. I had to work that day and I was delighted to be able to witness all the festivities on television. Outside the D.C. area I'm sure there are thousands of grateful viewers who enjoyed sharing in the event through your good auspices because they couldn't make the trip. I thank you on their behalf as well.

I'm sure you've heard plenty of complaints about covering the event, but I appreciate your open and principled stand. You do the First Amendment proud. Thank you.
