

To Whom It May Concern,

I'm a 4-year listener to your program and really enjoy it a lot. In the beginning, my political knowledge was non-existent. But through WJ and talk radio I've learned a lot. Not just politics either; a little economics and history is also absorbed.

Nowadays, I find myself doing unusual things like: writing to

Harker Heights, TX 76548

political figures and talk radio hosts, calling my congressman and senator, and stopping my friends with information they haven't heard.

Anyhow, I really enjoyed the Great American Think-off.

Could you tell me how to go about getting a WJ coffee cup? I drink coffee and crossstitch while watching WJ every morning, even on weekends!
Thanks.
