Help!!!!

Since September 1st our
cable company went from 24
hours a day of Comcast cable
of Cbsan to Mon - Fri 7-5 -
We are now up to 5 A.M. to 5 P.M.
Monday thru Friday and that
is it -

After a call from our area
the other day stating the outlook
by Comcast - near ruin
remarked that Cbsan is working
with Comcast - Tell me we have
hope - We have written called
and Comcast will not listen
to its customers -

Please help us get Cbsan
back 24 hours a day - Working
people are being discriminated
over against

We can't see it at all - expect
one hour in the morning

We need your help - Concord

covers a big area here and
they refuse to carry (Spain
until maybe July of next year
