Dear C-span

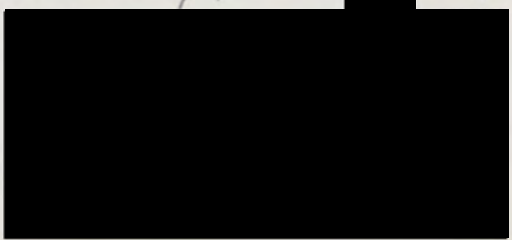

I notice that you have a lot of people calling in lately complaining about your format. It seems to me that they feel that you have become a jock-straps for the establishment

Frankly, Honor Dan Quale day was a little too much for me.

You had my Congressman on, Silvio Conte in January to celebrate his 40 years of elective service. He is a tyrannasourious, Dmerilist and a representative for a generation of failure. He tied Jerry Ford up in Viet nam resulting in a massacre and the demise of the Ford Administration in 1976

I live by a code that things happen for the best - in overcoming adversity.

Don't Worry, Be Happy.
