Dear C-Span & Brian Lamb

0.3)

There is that woman
again.

She is from West Virginia,
& is ALWAYS vigorously defending
Clinton.

She is on VERY often, as you
cannot escape that dictatorial voice of
hers.

Who does she know on C-Span?
Nobody gets on that often. C-Span has
a policy, but apparently it does not
apply to this Clinton defender.

IT IS NOT FAIR & I FEEL C-Span
is responsible for this.

Most of all it's her very ~~dominating~~
dominating voice that is so irritating.

Most of us do not support this president
on this bombing. It is not good for our
earth, it is barbaric, & most of all it
is ungodly.

For all the times this "star caller" of
C-Span calls in constantly, thank God we
have a wonderful person that just called in
(OVER)

Telling your guest George KENNEDY he is a
breath of fresh air.

Lets have more of him & LESS of
this caller from W. Virginia who takes over
the airwaves.

She managed to get in on Larry King
ONCE, but it seems CNN had the good sense
not to have her calling in LIKE she does
to C-Span.

WAKE up Mr. Lamb, we recognize
her voice, so let others get on ONCE in a
while, as her ONLY agenda is to defeat
Clinton.

What will she do if & when we get a
Republican President in not so far off now?
