More than a few times

Callers have questioned the

Makeup of our Journalist's,

Yes, they are mostly establishment,

White, upper middle class, Bourgeois

and YUPPY-ISH. NO "Lefty's"

no alternative views. Very

Comfortable and Very Secure.

Hitchens + Cockburn are
fascinating intellectuals.

Andrew Sullivan of

"The New Republic", sort
 of conservative and openly
 Homosexual; Randy Shilts, Gay
 Unless There are Closet
 Gays and Closet Liberals,
 Robert Novak for one (in person
 he is very comfortable to this
 liberal), where Mary McGarry?
 Christopher Mathews is Great!
 Noam Chomsky?

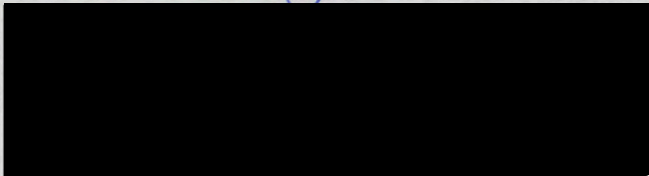

In The Gay Paper, There is
 "The Washington Blade" - Lou

3,

Chibbaro Jr. and so many
more.

I love C-STAN,
Couldn't live without it.

Sincerely,
