Brian Lamb,

I suspect you get thousands of these every week

What I "say" is not important to anyone excepting myself - But - here goes,

Your interaction with Mr. Murray was interesting. I shall probably read the book - when he referred to as the "dumb" group - the pompous ass - is advised to students to groups

Do

never rise in  
Oh Well -

My dear Sir, I have a confession to report to you which I hope you

~~Thousands~~ of these  
important to anyone  
it - here goes.

Mr. Murray was  
interesting. I shall probably read the book -  
However, near the end when he referred to  
the lower scale persons as the "dumb" groups -  
I was very disappointed - the pompous ass -  
That is a word which I was advised to  
never use when assigning students to groups -  
Oh Well -

My dear Sir, I have a confession  
to report to you which I hope you

will try to understand — !!!

I have tuned out C-Span a few times  
of late:

To hear Neil Diamond and the Italian  
tenors! and tonight there is a concert at  
the Acropolis with Yanni — !!! there a fine  
Kinsley & his adversary in a fine  
couple! I have heard him 172, ago when  
long time. We enjoyed him 172, ago when  
he appeared on Wm Buckley Show. They  
were a good match.

Again, thank you for your  
outstanding programs & for your  
civility & unfailing objectivity.

Our weather is getting cool — 72° today.  
To all of you — thanks!

Sincerely,
