

April 15

Dear Mr Lamb,

Why is it on your call-in program, nothing is ever said about there pay raises & salaries?

I think this should be brought up to the american people.

The Republicans & Democrats are all guilty giving themselves pay raise all the time.

They say theres no money, but yet they find money for themselves.

I would like to hear about it. as well as the american people.

Please bring it up. I can never get through to call-

I watch Call-In all the time.

I'll be waiting to hear about it.

They all got rich on our hard earn taxes.

They need Ross Perot as President to clean up the corruption & greed - Thank you
