Brian -

Splitting the telephone numbers
as you have, has succeeding
in getting more Democrats
able to air their views. (GOOD)

Romney, ^(BAD) the independent

line is obviously being jammed
by Republicans pretending to be
independent to get their call
on or people just using
up the "Perot time" to
talk silly. . . . u2 - Mickey
Mouse will do voice Minnie
Mouse - Please pull the plug
on these people and select another
independent caller

to Brian Jones.
