

I have tried for 2 decades to
get something besides Democratic
politics on C-Span but I guess
they rate above Republicans
on C-Span.

The 5 or 10 hours of propaganda
on Mr Brown's funeral was nothing but
a political act. Most of us didn't even know
who this man was. Mr Baldwin, Secy of War
was killed. He didn't get a Presidential burial.
I wonder how these
32 other families felt.
