

Dear Mr. Lamb,

Bronx, NY 10460-3803

O. Kosovo
R outside of Clintons, media toadies,
C-SPAN callers of every political stripe,
(Moderates/Liberal/Conservatives) were
vehemently against Clintons, carpet bombing
of Yugoslavia, (Serbia/Kosovo) in its
battles to subdue, K.L.A., Greater Albania,
secessionists. You joined with Clinton's
media apologists, singling out only,
C-SPAN, Conservative line, phone callers
as against Clintons' deliberate attack
against a small, weak, sovereign
country for Clinton's New World Order.
You have opinions, but you, yourself

never drove home, the double standards,
and NTH degree hypocrisy, of Clinton's
New World Order and Turkey's massive
genocide and ethnic cleansing of its
own Turkish Kurd minority, that is
massive compared to ethnic cleansing in
Kosovo. You have joined the Clinton-
(media) toadies, maybe deliberately or
from the, "one sided media propaganda
(lies)" promoted constantly by all
major media outlets, print and electronic.

Are you looking to sleep in the
Lincoln Bedroom, Mr. Lomb, or has Clinton
rewarded you with that, already.

Sincerely

P.S. - The objection against Clinton's War,
by the vast majority of C-SPAN, phone
callers (Liberals/Conservatives/Moderates)
was very distasteful to you, so you
wanted to change the C-SPAN, format
taking one pro, one anti, Clinton's War,
~~to~~ phone caller, to deceive C-SPAN,
viewers into believing that the American
people were evenly split, pro/anti,
on Clinton's War, on a sovereign country.

Did you sleep well in the Lincoln
Bedroom, Mr. Lamb, or did you sit up
all night with Slick Willy plotting
on new ways to promote Clinton's, media
(C-SPAN) propaganda. (lies, ad nauseam)
