

Dear Sir:

I am writing to make a suggestion. The Council on Foreign Relations & The Trilateral Commission seems to come up by a number of callers to C-Span. Phyllis Schfley can help clarify those two important subjects. You might ask her to ask retired Naval Officer who teamed up with her to write book dealing with Council of Foreign Relations & Trilateral Commission. They can help clarify what the real purpose of both is not just for this country but for the whole world. There is another man who is familiar with both as well as other aspects that have gotten almost no attention in media. His name is [REDACTED]

Sincerely,
