Disrespectful...
Programming... 9/9/97

To Whom It May Concern:

Normally, I am a C-SPAN admirer
and viewer — But I am going
to boycott watching for a couple
of weeks (my loss, perhaps?) due
to my repulsion and disgust!
Sunday, September 7th, 1997
barely 24 hours after Lady
Diana Spencer (Princess
Diana) was laid to rest in
her cold earthly grave.
C-SPAN (programmers) chose

sold in aid of

THE INTERNATIONAL CHURCHILL SOCIETY

AUSTRALIA • CANADA • NEW ZEALAND • UK • USA

to present the most
abhorrent, despicable and dirty

politician of the day — i.e. Jerry Adams.
He can't tell the truth and he is
a spinner of flawed logic. He does
not make sense — let alone
complete his thoughts (or even
answer the questions put to
him). That interview was done
Sunday 7th? Was it at
Martha's Vineyard — I doubt
that this time, although he was
there with his buddies
Ted Kennedy & Bill Clinton
in 1995 (his previous visit.....)
If you don't believe what I
am putting forward read the
September '97 issue of Harper's
— Mean Season by Irish
journalist/writer Adrian McKinty
It speaks volumes about the
Irish problem & why the real
truth is never told!!!!
(let alone heard!)

Mo Mowlam's interview ^{was} recorded
8/29/97 - so he never was put
to the test of answering ^{appropriate} sensible
questions. The callers on Adam's
segment were all choicer &
VERY Biased To say the least!
Whatever happened to fair
play & each side's point of view
- on CSPTN? Have you lost
your sense of decency & fair
play - your sense of good
taste and appropriateness?
I wish the Northern Ireland talks
the very best of luck - I'm of
an Anglo Irish / Norman stock dating
back to the 12th century in
County Kildare. - I would love to
see peace. - But (curses)
Sinn Féin don't mean it...
Sincerely,

May the British
and American
peoples, for their
own safety and
for the good of
all, walk together
side by side
in majesty,
in justice
and in peace.
